

An Interactive Heart Drawing Activity

This heart drawing activity is a sweet way to to celebrate love and connect through creativity. Take turns adding layers to the collaborative heart drawing.

An Interactive Heart Drawing Activity

MATERIALS

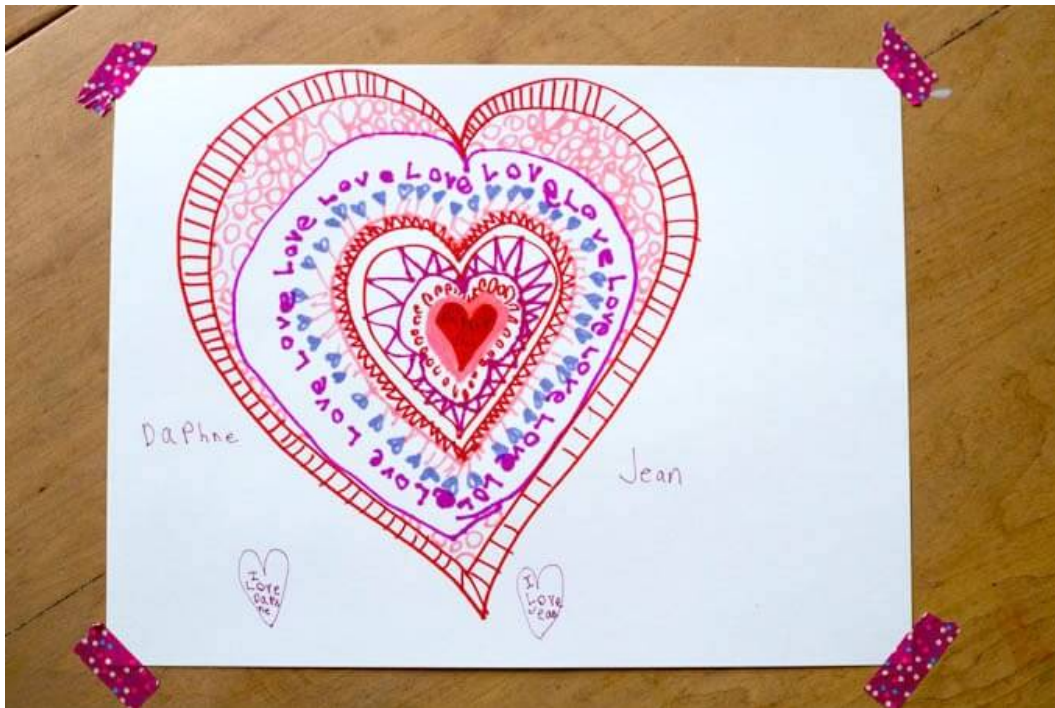

- Paper
- Drawing tools

INSTRUCTIONS

Step One: The first person starts by drawing a small heart in the center of the page.

Step Two: The second person adds a layer to the heart drawing, with another heart or some sort of design element around the first.

Step Three: Continue back and forth until both parties decide that the heart is complete.

Step Four: Sign your collaborative heart art or add a message to it, if you like.

These heart drawings are beautiful and worthy of displaying!
